It is quite amazing to see how the prophetic word that the Lord gave me is going into fulfilment. I sensed that in 2018 there would be a continuation of that which the Lord has started in 2017. A movement has started where Christians in all walks of life is taking up their positions of authority in the spiritual realm.

We can see the saints asserting themselves in their homes, workplace, business, politics and in government and has already lead to the birth of many new Christian enterprises, support to the poor, outreaches, ministries and Spirit-led initiatives. In 2018 the separation between good and evil, light and darkness has become more and more evident. A massive spiritual battle is taking place in the spiritual realm and a wave of intercessors has taken up their position and praying in spirit and truth, pulling down strongholds, uprooting entrenched works of the evil one, overthrowing the thrones of evil in business and in government and establishing the Throne of Grace.

As the Lord is making things new and preparing His children to take their places in the spirit and in the natural, new leaders has been raised up to prominence. I expect to see in the latter part of 2018 how they will quietly emerge, established on a solid foundation, bringing hope, strategic plans and guidance at a time when the current generation of leaders lose credibility and direction. God is giving birth to a new generation of leaders, businesses, thinkers and politicians.

South Africa

I prophesied that South Africa will go through a rocky period in 2018 and that the country will face many challenges and it will seem as if things are falling apart. There will be greater unrest and number of protests and many people will lose hope. The racial divide will seem to become bigger.

However, this is part of the preparation for the new generation to take up their place. Ones with hearts filled with evil and hate will spew out their bitterness and gall and will influence many people, but those with hearts filled with the love of Christ will pull closer together, creating a new united, loving and prosperous generation.

This new generation will become more prominent, especially towards the last quarter of 2018 and will generate a wave of unity in Christ leading up to the 2019 elections. We are in for many surprises, both pleasant and unpleasant. Therefore, wear your spiritual armour and stand strong with the knowledge that if you are in Christ and He is in you, He brings you in joint seating with you in the heavenlies and then nothing will be impossible for you. Trust, rely and depend on the Lord, and He will make your ways straight and your paths even.

Do not be offended

I sense that the Lord is speaking to us as Christians in an extraordinary, yet simple manner. In the Book of Matthew, "Jesus commands us to turn the other cheek".

But I say to you, Do not resist the evil man [who injures you]; but if anyone strikes you on the right jaw {or} cheek, turn to him the other one too (Matt 5:39).

Victory in the Spirit

We need to take the battle into the realm where the adversary cannot win, into the spiritual realm where the Holy Spirit fights on your behalf. We need to fast and pray, intercede and pray warlike prayers in the Spirit in order to release the power and victory of Christ into the natural. It is time to raise our voices in unison towards the King of Kings and to call His Kingdom, as it is in Heaven, to also come here on earth, into our country, our cities, our homes and into our hearts!

KINGDOM INVESTMENT

We are blessed to have a weekly programme on Kruiskyk television channel. Broadcasting on Sunday mornings at 10h00 and on Monday afternoons at 13h00. We are also streaming on <http://lifecbn.com/> The programme is called "Hearing God with Martin a nd Letitia van der Merwe". Our broadcasts are also placed on our youtube channel for people that do not have access to Kruiskyk.

We focus on different areas of the prophetic on how to hear God's voice through dreams, visions, Scripture, nature, the 12 tribes, etc as well as to understand your identity in Christ, what blocks you from hearing God and to guide people towards the truth of God's Word. We would like to guide people back to God and His Word by teaching on how to understand the revelations by the Holy Spirit. This is a massive step for our walk in ministry, as this will expose us to a potential audience of a 100 million viewers across Africa and Western Europe.

This will require substantial financial resources, but we decided to take this step in faith. We have been in ministry since 2000 and started touring South Africa with our Hearing God Dream Seminars since 2005. We are now approaching our audience with an opportunity to invest in this Kingdom enterprise. We will need approximately hundred and twenty thousand Rand per year to invest in television broadcasting for our television programme. We hope that people who want to see this ministry gaining broader exposure and reach more people, to assist us by contributing towards the costs of broadcasting on this television channel. There is an opportunity to advertise your business or product for on our programme which will assist to

sponsor the costs or you can act as a sponsor for the programme. If you are interested to advertise your product or act as a sponsor you can send us an email to ruachmedia@telkomsa.net or sms to 0856758975. Alternatively, contributions can be paid directly into the Ruach Media account, ABSA-Cape Gate Branch, Acc no: 919-5423-079. Branch Code 632005. Clearly mark the deposit as “ *TV Program*”.

HEARING THE VOICE OF GOD

We are excited about this new season of discovery and revelation and hope to share it with you. Let us gather together before the feet of the Lord and hear His promises, His revelations for our lives and His guidance for what is to come. It is amazing to get answers to your questions, guidance on decision-making, healing from insecurities and fears, because He is the Source and He is the answer to every question.

Blessings

Martin and Letitia van der Merwe
