

Ruach Dream Files –
January-February 2017

Word for 2017

2017 is already a month old and we have experienced quite a number of dramatic events. My 2017 started with the opportunity to go into full-time ministry. It now gives me the opportunity to give more time to our ministry and to share my business skills obtained in the marketplace over the last 35-odd years.

Hebrew year 5777

This year is the year of grace (5) which is combined with threefold perfection (777). 2017 refers to mature unity (2000) and 17 which speaks of inheritance, spiritual maturity and spiritual order.

We need to look at the biblical meaning of grace- I need to warn against the type of grace that is not in alignment with the Word of God. God saved us and delivered and healed us by His Grace. Our relationship with God is maintained by His Grace.

Written into this season are the components of the fullness/perfection of maturity and character. Someone recently asked what the most important aspect should be when embarking on a new enterprise. After various inputs were considered, the speaker remarked that the most important aspect to consider is the season that you are in. By understanding the seasons and the times that you are living in, you can become one with the season, falling into the rhythm of the Lord, coming in tune with His plans and His times.

We also sense this season speaks of the tribe of Naphtali . The truth of Naphtali is to be an overcomer and prevailer. In this season we have to overcome the flesh. As in Gal 5: 17 *“for the flesh lusted against the Spirit, and the Spirit against the flesh; and these are contrary the one to the other: so that you cannot do the things that ye would.”*

The Lord gave me (Letitia) three words to consider. These are

1. Consummate;
2. Complete, and
3. Completion.

As a verb, consummate can speak of making a marriage complete through physical oneness (sexual intercourse). As an *adjective it can be reflective of* a person showing great skill and flair. It can also speak of perfection, to be flawless or exemplary. Principle to abide in Him (Jesus) and He in you- Daily transformed into His image.

Complete can speak of having all the necessary or appropriate parts in order to finish. It is often used to speak of thoroughness, something proper of the total needed to receive the prize or to accomplish something. We have the spirit of Jesus- to endure, persevere and to overcome. In this season we are called not to give up or become despondent.

Completion is a noun which refers to the action of completing or finishing something. It can also speak of the fulfilment of an obligation or the resolution of a matter.

All of these points to getting to the place where you are perfected or matured in Christ. To achieve this, you have to become one with the Word of God by knowing the Word, live the Word. You need to live a spirit filled life filled with the power of the Holy Spirit. This will mean that your walk and talk your whole being so filled with Him that you become like Christ. This is the ultimate prize we have to strive for, to reach out for perfection in every area of your life. The fullness of maturity is to live and also walk in love in the character of Christ. Maturity in character is something that we need to see manifest in the body of Christ-

Maturity is necessary to stop building your own ministry or church and to build the Kingdom of God. This should always be based on spirit and truth.

This is the challenge for us in all areas of life, to grow into the full stature of Christ, in character, word and deed. We are called to build the kingdom of God and become one body in unity with Jesus Christ our Head and to walking and live in peace with love and joy in all circumstances.

This is the time. This is the season of perfection in Christ. Let us reach out for the ultimate prize perfection in Christ!
