The number nineteen (19) - NUMBER OF THE MONTH

There are two significant components to consider when receiving the number 19 in a dream or a vision. The first relates to worship. It is a call to praise and worship the Lord, even during a trial. The second relates to something valuable. It can refer to the loss of someone or something valuable during a period of strife and in-fighting (2 Sam 2:30).

FISH - SYMBOL OF THE MONTH

Jesus called us to be fishes of men. It can therefore represent a soul or someone that is ready for sacrifice. *And he saith unto them, Follow me, and I will make you fishers of men (Mat 4:19).* It can also refer to provision and from a symbolic point of view it can refer to physical, financial or spiritual provision, sometimes in a miraculous manner.

DREAM OF THE MONTH

The dream: "I recently dreamt of fishes, big and small fishes that I catch with my hands and throw into a glass tank".

Provision: Fish can point to provision. This dream shows that the person will be provided for by the work of her hands. It is a confirmation that God will make provision if she takes a step forward, not just waiting for opportunities to come to her.
